Commissioner for Patents

In the telephonic communication w/ Hopper Julie as of 10/21/04, it is brought up to the attention of the Examiner that the IDS filed 5/13/04 had not been included in the last office action as being reviewed in a PTO 1449 form. Examiner now provides the result of reviewing of such IDS information with this correspondence wherein in the 1449 form most of the items found in the listing would be checked (w/ Examiner initials) and would be marked as 'NC' (Not Considered) if they were not found on record.
